### C. WITHDRAWAL FROM COURSE

A student may withdraw from the program and receive a refund of the unused portion of the tuition fees and other charges. If a student withdraws after the period in which the student may cancel this agreement, but before the student has completed the entire program, the student need only pay for the educational services rendered, plus a non refundable registration fee of \$75.00. (For VA students the maximum the school will retain is \$10.00)

The prorated refund amount will be calculated by first determining the total hourly cost of the program of instruction by dividing the total tuition charge by the total number of clock hours, then multiplying the hourly cost by the total clock hours elapsed at the time of the withdrawal, and then subtracting that amount from the total amount paid

#### Example of Refund:

Assume that a student, upon enrollment in a 600 hour course, pays the school \$6,410.00 for tuition plus \$75 as a registration fee and \$10.00 STRF Fee. Assume that the student withdraws after completing 200 hours of the 600 hour program. In that event, the refund \$4,364 in unused tuition

- A: Total Paid to School: \$6,500  
(6,410 Tuition/Material + 75 Regist. Fee + 15.00 STRF Fee = \$6,500)
- B. Total Tuition Charge: \$6,410  
(6,500 paid to school - \$75 Non refund Regist./fee - \$15.00STRF = \$6,410)
- C. Hourly Charge \$10.68  
(6,410 tuition charge / 600 total hours = \$10.68)
- D. Students obligation for service received = \$2,136  
(10.68 hourly charge x 200 hours completed = \$2,136 students obligation)

### D. TUITION REFUND UPON CANCELLATION PRIOR TO EIGHTH DAY OF INSTRUCTION

Institutions, for all students, without penalty or obligation, shall refund 100 percent of the amount paid for instructional charges, if notice of cancellation is made prior to the fifth day of instruction, and all books, equipment and material is returned in perfect condition. If the first lesson in a home study or correspondence course is sent to the student by mail, the institution shall send it by first-class mail, postage prepaid, documented by a certificate of mailing, and the student shall have the right to cancel until midnight of the eighth business day after the first lesson was mailed. The institution shall advise each student that any notification of withdrawal or cancellation and any request for refund is required to be in writing

- a. You notify the school of your withdrawal or the actual date of withdrawal
- b. The school terminates your enrollment
- c. You fail to attend for a three-week period. In this case, the date of the withdrawal shall be deemed to be the last date of recorded attendance.
